Dear Friends,

BREATHING PASSION AND COMPASSION: The Lung Association's purpose can really be summed up in one word: Breathe. It is what unites us. It is what inspires us and it is what keeps our community of physicians, scientists, clinicians, educators, patients, volunteers and donors committed to healthy lungs for everyone.

We are asking for your help today, to graciously support and donate an auction item to be offered as a prize in our upcoming Green and Blue Shindig event on August 31, 2019 at Regina Mosaic Stadium. Please help us build a prize board of amazing items that our lung supporters can win. Your prize donation will make a difference for those people living with lung disease and their loved ones in our province with proceeds from the Green and Blue Shindig, supporting vital respiratory research in Saskatchewan.

All fundraising campaigns have an end date, however lung disease does not. Thanks to you and your commitment to help those living with lung disease, you will be supporting better breathing everywhere. You can make this happen!

If you wish to donate an item towards our event, please contact myself at 306-667-3044 or [dave.parkalub@sk.lung.ca](mailto:dave.parkalub@sk.lung.ca)

Thank you for considering this request,

Dave Parkalub  
Community Engagement Coordinator
